TABLE II.
VARIATION IN POPULATION SINCE 1891.

NOTE.—The population given in this table for the year 1891 has been adjusted to represent the population of the area of each District as well as Táluka and Native State as it stood on March 1st, 1901.

2. The new district of Lárxhána was created in August 1901 by transferring certain tálukas from the Shikárpur and Karáchi Districts. As the change took place after the date of the Census, the new district has not been shown in the body of the table. The figures for Karáchi, Lárxhána and Shikárpur Districts as they now stand have however been shown on the title page of Table II (Imperial).
